Term:	Three years, appointed or elected annually at the Annual General Meeting

General Overview

The role of the Board of Directors is to provide leadership and oversight of the activities of the Alongsiders Australia. It will strive to represent the interests of the international Alongsiders movements (especially vulnerable children and Alongsiders Mentors) and Australian stakeholders (partner churches, donors, etc.)

The work of the Board requires a balance of asking big questions, exploring possibilities, engaging in real dialogue, solving problems, and offering direction. The Board aims to ensure broad organizational accountability and transparency.

The Board will work with the International Leadership Team to look towards the future of Alongsiders Australia, reviewing the organization's mission and objectives, identifying the outcomes that Alongsiders Australia is seeking and the strategies it will use to achieve them. The Board will also work with the International Leadership Team to encourage and support the movement to grow into new countries according to the 5-year plan.

In providing oversight the Board will rely on assessing organizational performance concerning goals and adherence to budget. The board will ensure, through the creation of policies, that Alongsiders Australia adheres to sound financial management, personnel, and service practices.

The Board will take responsibility for its management, efficiency, continuity, and renewal.

Additional Info

The Australian Board of Directors is responsible for the oversight and leadership of the Australian charity. As Directors of Alongsiders Australia, you will automatically become a Member of Alongsiders International (our international entity is registered in Singapore). At Alongsiders International Members you represent the interests of the Australian Charity and its constituency on an international level.

The requirements of being a Member at the international level are simple, to vote once a year by proxy or in person at the Alongsiders International AGM (similar to a church context where members have voting power and elect elders).
